

NORTH EDISON SHAMROCKS

ATHLETIC ASSN. INC.

To Whom It May Concern,

The North Edison Shamrocks is a non-profit organization in the Central Jersey Pop Warner league. The Shamrocks are proud of our over 55 years of football and cheerleading history in Edison Township. The Shamrocks play a valuable role in the lives of over 150 local children each year through our program of football and cheerleading instruction. Young men and women receive positive life experience that build their appreciation for and understanding of leadership, teamwork, discipline and a superior work ethic in a safe and structured environment. Our staff is comprised 100% of volunteers who live in and around Edison, all of whom are committed to furthering the advancement of the organization and providing the children, as well as the community at large, with enrichment opportunities.

Our collective goal is to continue to support our organization by purchasing better equipment for our football players and cheerleaders, making capital improvements to our field house, educating our coaching staff, and engaging in community outreach activities.

We are presently conducting our annual sponsorship and donation drive and are contacting you in hopes that you will be able to make a contribution to our organization. Our children and volunteers sincerely need your support. We will gladly accept monetary donations, gift cards, merchandise, discount vouchers, or service offerings. Please note, any donations are tax-deductible as we are a non-profit organization.

Thank you in advance for your support, and if at all possible please make your donation no later than September 31, 2017. If you have any questions, or if we can be of any assistance, please email shamrocksrhonda@gmail.com or call 848-391-3131. If you need to arrange pick up of your donation, please let us know and a committee member will be happy to help. We will acknowledge your generous donation(s) in our yearbook, on our website, and at our home field, as applicable.

Please forward all correspondence to:
